17) **Read the following paragraph and make notes:**

Negative thoughts weaken men. Do you find that where parents are constantly taxing their sons to read and write, telling them they will not never learn anything, and calling them fools and so forth, the latter do actually turn out to be so in many cases? If you speak kind words to boys and encourage them, they are bound to improve in time. What holds good for children, also holds good for children in the region of higher thoughts. If you can give them positive ideas, people will grow up to be men and learn to stand on their own legs

18) **Read the following passage and answer the questions below:**

There is a motto which says 'Nothing like Knowledge'. *Jnana* is not mere information, not mere Scholarship, it is not mere criticism; it is education in depth. Whatever subject you take up, you must try to study it, penetrate into it and find out the roots of it. It is something which makes you a deep scholar in the subject which you have. *Jnana* without *Viveka* is nothing; *Viveka* helps in discriminating. Without discrimination, without a sense of right and wrong, if you do not have that sense, if you are not able to accept certain standards in your life and conduct, you may be educated but your life will be degraded and unilluminated. If you want to be a true University man, it is essential for us to have certain tenets of conduct, certain forms of behaviour.

1. What is the definition of *Jnana* as given in the paragraph?
2. What should accompany *Jnana*?
3. How is a University man characterised?
4. Mention the function of *viveka*.
5. a) Write the synonym of 'Discrimination'
b) Write the antonym of 'educated'
